

DISCUSSION CAFÉ

Hosted by the Health Sciences Leadership Program (HSLP)

This is a collaborative event to bridge students across all faculties at Science Tokyo. Feel free to join us for a fun chat to connect with others from different backgrounds. Expand your network and challenge yourself to talk in English!

No preparation is required

30 NOVEMBER
2025

15:00
~ 17:00

LECTURE ROOM
WL2-401
@OKAYAMA CAMPUS

WORKSHOP HIGHLIGHTS

1

Topic 1 – Connecting Tech Minds and Medical Hearts

This session is all about connecting our paths—sharing a recent update and the ambitious career visions in science and healthcare.

2

Topic 2 – Designing Healthcare 2.0

You are the designers of "Healthcare 2.0." We will present several critical medical challenges; select one. Your task: combine engineering and clinical expertise to architect a groundbreaking solution.
