

“Find-Your-Role-Model” Session

82nd session (1st in 2026 session)

Guest: **Dr.Koji Nagura**

Medical Attaché, Embassy of Japan in Serbia

Wednesday, May20, 2026, 19:10 - 20:10 via Zoom

For this session, we are pleased to introduce Dr. Koji Nagura, a graduate of Hokkaido University School of Medicine, who currently serves as a Medical Officer at the Embassy of Japan in Serbia.

After graduating from the Hokkaido University School of Medicine in 2005, Dr. Nagura completed his initial residency at Sakai Municipal Hospital (current Sakai City Medical Center) and went on to specialize in general medicine and oncology at Kameda Medical Center. Since then, he has been active for many years as a general practitioner at institutions such as Sakai Municipal Hospital, Kanto Rosai Hospital, Rinku General Medical Center, and the Osaka General Medical Center, providing care in departments including Emergency and General Medicine, Infectious Diseases, and International Healthcare. Furthermore, since 2023, he has served as a Medical Attaché for the Ministry of Foreign Affairs at the Embassy of Japan in East Timor and in Serbia.

TOPICS

Career vision and professional background	• His professional background to date; his vision of the future of healthcare and personal mission; his inspiration to pursue those goals; his role models; the hardships and failures he overcame; and what it is like to work overseas
Current and planned projects	• What projects he was and is working on overseas at the Embassy of Japan; the differences in healthcare systems in different countries; and his future plans and outlook
Advice for students and healthcare professionals	• The skills and mindset needed to work globally • Advice for students and young healthcare professionals

Eligibility

- Open to all students, residents, post-docs, faculty, and staff from Institute of Science Tokyo

Discussion style

- Dr. Nagura will share his career and experiences before the floor is opened for roundtable-style discussion
- Language(s): Japanese, English (on request)

About “Find-Your-Role-Model” Sessions

We have been holding a series of events called “Find-Your-Role-Model” Sessions to provide students with opportunities to interact with alumni and global leaders in healthcare sciences. Through these roundtable-style, informal events, we hope students will find role models to help facilitate their career development and become future global leaders.
