

International Faculty Development Course AY2024

Institute of Science Tokyo offers the International Faculty Development Course (IFDC) with the purpose of introducing expertise in clinical dental education.

This course for clinical, research and dental education offers you up-to-date dental clinical knowledge and cutting-edge techniques that are often publicized in journals or books. It also offers opportunities to engage in discussions with faculty staff, your peers and build networks.

DATE:

February 3 – 6, 2025

PLACE:

Institute of Science Tokyo
1-5-45, Yushima, Bunkyo-ku, Tokyo 113-8510, JAPAN

GOALS OF THIS COURSE:

1. Gain new dental knowledge and new approaches for future treatments /research
2. Consider your clinical cases from a critical perspective
3. Develop skills for clinical procedures

CERTIFICATION:

A certificate of completion including hours of study and topics covered will be given to those who attend every assigned session.

COURSE FEE:

200,000JPY (Registration fee (50,000JPY) + Course fee (150,000JPY))
