## 第17回 ディスカッション・カフェ

### Let's think about SDGs!

#### What is Discussion Café?

In July 2013, TMDU and Waseda University signed an agreement with the primary goal of cooperating to cultivate future global leaders. This will be the 17th gathering of "Discussion Café" under this cooperation.

DCafé provides a rich environment for discussion in English of current controversial topics with students from various backgrounds. This is a fantastic opportunity to network with students in various fields of study from Japan and other countries and practice expressing your opinions in English!

#### Discussion Topic

SDGs (Sustainable Development Goals) were developed in 2015 by the United Nations with an aim to achieve universal peace and prosperity by 2030. They have 17 goals and 169 targets. Recently they are becoming more well-known, and you may have seen some news regarding SDGs featured on TV or on the Internet.

To achieve these SDGs, both individual and organizational efforts are needed. Therefore, it is meaningful to think about what the issues are and how we can take action as citizens of this planet to achieve them. In DCafé, we can express our opinions freely and exchange insights with each other on this topic.
